LEARNING

THE POWER OF HOPE IN HEALING

The **SPIRITUALITY** pillar encompasses the Signature Chaplain Corps. It is a company cornerstone where Chaplains serve with hope and humility, striving to meet patients, employees and family members where they are, at the point of their very need.

MAKING A DIFFERENCE

The **INNOVATION** pillar was founded on the notion that great ideas can come from anywhere. Signature HealthCARE encourages stakeholders at all levels of the organization to be vocal about their ideas to improve the lives of patients and clients.

GREAT LEARNING. GREAT RESULTS.

At Signature HealthCARE, our award-winning **LEARNING** pillar delivers first-rate education and training opportunities with our stakeholders in mind. We believe revolutionary and lifelong learning has no limits, must create a competitive advantage and change lives for generations.
